MOVES #39: »Torsten Kretchmar - Avant-Garde Künstler in Wartestellung«

Video-Screenings

»Avant-garde implies the instant commercial failure as it transcends the current conventions of the *Allgemeinkultur* and can only be perceived as a premonition for the distinct individual, participating in the cultural evolution of humanity.« (Torsten Kretchmar, 2010)

Avant-garde Künstler zu sein, bedeutet, seiner Zeit voraus zu sein. Problematisch ist: Torsten Kretchmar's Werke sind so weit voraus, dass ihn in der Präsens noch niemand als Künstler wahrzunehmen vermag. Ein Dilemma, welchem nur mit geduldigem Warten zu begegnen ist. Das Screening von ausgewählten Videoarbeiten des Noch-Nicht-Künstlers Torsten Kretchmar ist somit ein Versuch, uns das Nahebringen der Zukunft etwas zügiger zu gestalten.

Torsten Kretchmar, Performancekünstler und Musikvideogestalt, lebt und arbeitet in San Francisco. Eintritt frei.

MOVES #39: »Torsten Kretchmar - Avant-garde artist in Waiting«

video screenings

»Avant-garde implies the instant commercial failure as it transcends the current conventions of the *Allgemeinkultur* and can only be perceived as a premonition for the distinct individual, participating in the cultural evolution of humanity.« (Torsten Kretchmar, 2010)

Being an Avant-garde artist means to be ahead of its time. The problem is: Torsten Kretchmar is so far ahead that no one at the presents realizes him as an artist yet. It's a dilemma that can only be faced with patients. The screening of selected video works of the soon-to-be-artist Torsten Kretchmar is an attempt to accelerate the arrival of that future.

Torsten Kretchmar, performance artist and music video-clip entity, lives and works in San Francisco. Admission is free.
