MOVES#151 SIANA /dans l'entre le carré sommeille

A nonlinear story

video, sound, dance, performance

»SIANA

As the ballerina spins,
Each spin creates a new chapter of the story

Wind

A Shadow in the mirror rubs a flight of joy. Scattered reflexions of wheezing.
Crawling, struggling, on the verge of hope. Breath of freedom at the corner
of the tear apart fractal.

Wind around
wind around

Eventually all those spins turn back to itself, creating a whole«

»dans l'entre le carré sommeille

Between two worlds where the being seeks a new body.

A heartrending mutation in the middle of the ruins in the vestiges of time. «
